

TELL SENATE DEMOCRATS TO VOTE NO ON HB22-1279

If enacted, HB22-1279 will:

- Allow on-demand abortion for the full 40 weeks of pregnancy
- Allow abortion discrimination based on sex, race, or disability
- Potentially remove the parent notification requirement if their minor has an abortion
- Enshrine in law that “a fertilized egg, embryo, or fetus does not have independent or derivative rights under” state law
- Prohibit regulation of abortion based on the health of the woman or her baby
- **Make Colorado the most radical abortion state in the country**
